BUET authority has decided to computerize some of the academic and administrative activities. As a part of that the online registration and result processing systems of both undergraduate and postgraduate programs have been computerized. We are working to computerize other academic and administrative activities.

System usage: You are given an UserID and a Password. Please change your password immediately after you login to the system for the first time. Keep your password secret. Set a secret question and an answer so that you can change your password if you forget it.

If you find your password not working, please contact IICT Office. IICT will not be responsible, if anybody finds your password and does harm to you.

Thank you for your co-operation.
